INSURANCE & MONEY

You should send us a copy of your personal liability insurance, as well as a copy of your identity card/passport and valid social security cover, before the beginning of the camp. For students from EU countries, it is advisable to obtain a European Health Insurance Card from your local social security office before travelling. Hospital treatment for an accident or emergency is normally payable. Non-urgent treatment can be obtained through a local doctor, and again this is payable. You should also send us a Doctor's Certificate confirming your suitability to play handball, and to take part in group activities (dated less than one month before the start of the camp) and a photocopy of your Handball Club registration (if you are a registered player in a club); as well as a certificate confirming that you can swim 50m, and a French 'Fiche de liaison sanitaire' (dated less than one month before the beginning of the camp, LSF will send this to you about 6 weeks before the camp start date).

You should bring pocket money for incidentals (drinks, ice-creams, souvenirs, gifts...)- the exact amount is left to your discretion, but around 60 € per week seems reasonable. **MAHB-LSF cannot be held responsible in any way for loss of or damage to personal items during your stay.**

HANDBALL COACHING SESSIONS

The handball coaching sessions are taken by fully-qualified coaches from MAHB.

There are 2 coaches for 22 players.

2 groups will be formed (according to the number of participants)

The rest of the kit is provided (balls, bibs).

Each group (a maximum of 22 players per group) has at least 5 sessions of handball coaching during the week (1H30 per session).
